Title :	IMAGING WITH SPECTRALLY DISPERSIVE ELEMENT FOR ALIASING REDUCING		

Commissioner for Patents
P.O. Box 1450

SUPPLEMENTAL DECLARATION OF JANINE M. GOODWIN

I, JANINE M. GOODWIN, declare as follows:

1. I reaffirm that the statements in the Declaration I signed on August 28, 2006 are true to the best of my knowledge and belief.

2. There is attached as Exhibit A the docket record where the nonreceived Office Communication would have been entered had it been received to which reference was made in paragraph four of my declaration of August 28, 2006. Confidential information of other clients has been redacted in Exhibit A; however, it is clear that under the columns headed "References" there is no entry for 13076-002001, the Fish & Richardson P.C. docket number for the above-identified application.

3. I checked copies of our docket printouts showing docketing deadlines occurring on July 15, 2006. For application U.S.S.N. 09/966,484, if we had received an action dated May 15, 2006, I would have expected to find the docketed due date of July 15, 2006 for response to the action. I did not find such a docket entry in the docket printout for July 15, 2006.

Attorney's Docket No.: 13076-002001 / AAMOSPO1

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Respectfully submitted,
